A.F.C. Fylde Match Day Admission

A match ticket is required to access the stadium. We do not have cash turnstiles but operate a ticketing website which allows all fans to purchase tickets in advance. This can be found on www.tickets.afcfylde.co.uk.

General admission prices are from £12 seating and £10 standing for adults and £7 seating and £5 standing for under 16s. If fans don't purchase in advance, they will need to purchase tickets from the ticket office and may encounter some slight delay.

We therefore recommend that supporters purchase tickets in advance to avoid any unnecessary delays on match day.

Bradley's Sports Bar

Bradley's Sports Bar will be open and will be serving hot and cold drinks including a full bar service and snacks from 11:30am to 12:00 midnight.

Car Parking

We have a large car park providing free parking next to the ground. When that is full there is an overflow car park with a charge of £5/car.

Getting To The Ground

The game is to be played at Mill Farm Stadium which is situated just off Junction 3 of the M55 motorway.

The address is:-
